**STANDARD RESPONSE PROTOCOL**

**INFORMATION FOR PARENTS AND GUARDIANS:**  
Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

**COMMON LANGUAGE:**  
The Standard Response Protocol (SRP) is based on an all-hazards approach as approved by individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol. The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Checklist." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

**HOLD**

Students are trained to:  
• Clear the hallway and remain in their area or room until the "All Clear" is announced.

## Khan Academy

A great resource for students is the Khan academy. The organization has resources for most students grades and specifically high school. Most high school subjects are supported.

In a [recent study](#), students were over twice as likely to meet grade-level standards with Khan Academy. Districts across the country are partnering with us to ensure all their students succeed.

The link to Khan Academy is located at [www.khanacademy.org](http://www.khanacademy.org)

## Attendance Matters!

Excessive absences place your child at risk of losing credit for the semester or the year. State law requires at least 90% attendance which allows for only 9 absences each semester of the school year to gain credit or be promoted. Attendance has a direct impact on a student's ability to learn. Please help us give your child the best education possible by ensuring they are in regular attendance at school.
