<b>Dr. Naccaman Williams</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	The application is not complete: waivers, curriculum, and budget concerns all need additional work.

<b>Sonya Wright-McMurray</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	There were several remaining legal issues and waiver concerns that were unresolved. The volume of challenges were too extensive to be addressed within a short period time. More work is required to strengthen the application. Would like to see more conversations with ADE-DESE and DCTE to strengthen those components.
<b>Deborah Coffman</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	The application is not complete. No waivers were requested. Curriculum for required graduation is not addressed.
