

August 29, 2022

To: Board Members of South Koochiching Rainy River District

From: Amber Peterson - Title 1 Personnel

Renaissance/Star Coordinator

Subject: Accelerated Reading academic club.

I am requesting to be the Club Director at Club Level VI - \$2097.

Requirements:

25 sessions

One performance- Held during any of the following:

Parent Teacher Conferences

Grandparent's Day/Science Fair

Seminar for achievements earned at the end of the session.

The combination of AR and STEAM showed promising progress as well as filling the time gap students previously had. The goal is to expand students' academic knowledge of diverse topics. Utilizing this Club structure will accommodate diverse learning styles as well.

My expectations are that the Accelerated Reading Club will meet on Wednesdays.

A healthy snack and late bus will be provided by the district.

Schedule for the evening-

3:15-3:35 - Snack in Commons/Restroom

3:35-4:05 - Independent Reading and AR Comprehension Quiz online

This may include leveled reader article where the student may earn points as well.

4:05-4:40 - STEAM project

Clean up and get ready for departure

No fee for student participation. I request funds in the amount of \$500 to fulfill STEAM projects as well as incentive prizes for students earning points.

Working with the AR program for many years, I look forward to providing this academic extracurricular to our 3rd through 6th grade students at Indus.

Sincerely,

Ms. Amber Peterson; Title I Personnel

Tentative- A.R. Book Club Schedule for 2022-2023 school year
