| то:      | SISD BOARD OF EDUCATION                                                                             |

The FY 2018 Revised Budget is following.

**Enrollment** – SISD projected and budgeted for 177.75, plus 15 Intensives. The average daily enrollment resulted in 178.20, plus 17 Intensives. The additional foundation was an increase of \$307,481.

<u>**Revenue**</u> – As a result of increase in enrollment and Intensives, the SISD will realize an increase of \$307,481 in foundation funding for a total amount of \$5,573,127.

Additionally the district realized a decrease in Federal and State e-rate funding combined totaling \$1,044,972.

A small increase of \$3,163.00 will be realized in Student Transportation funding.

**Expenditures** – With the large decrease in e-Rate funding we have also realized a decrease in expenditures for internet and associated telecommunications. We initially budgeted for two additional sites in the event they would resume. Since we cannot ask for funding after our 470 and 471's are issued on the web, we must plan for any possible scenarios. So although we are realizing a decrease in our e-Rate revenue, we are also realizing a reduction of expenses in the amount of \$1,009,986 for same.

The remaining excess funds are added to various salaries and benefits, professional services for music the board has previously approved. Many of the changes are incorporating the housing allowances into the salaries line item as the housing allowances were rolled into salaries effective July 1, 2017 and going forward.

All line items that have changed are highlighted in yellow and we will review these during the board meeting.

Please do not hesitate to ask questions.

Thank you.
