April 4th, 2011

Mr. Cox –

Below is a list of recommended policy proposals for the April 11th, 2011 Board Meeting for Waskom ISD:

1. Valedictorian/Salutatorian
 - If no DAP --- Highest Recommended

“ If there is only one student graduating on the Distinguished Achievement Plan, that student will be the Valedictorian. The Salutatorian would be the highest student that meets the criteria graduating on the Recommended Plan.”

“If there are no students graduating on the Distinguished Achievement Plan, the Valedictorian and Salutatorian would be the two highest students that meet the criteria graduating on the Recommended Plan.”

2. **“The following reasons are approved by Waskom ISD for a Waskom High School student to retake a section or sections of the STAAR/EOC test:**
 1. **The student failed to meet the minimum standard on the STAAR/EOC test and must pass in order to graduate.**
 2. **The student needs to retake the STAAR/EOC test in order to pass the course with their final average, receive credit, and graduate.**
 3. **The student needs to retake a section of the STAAR/EOC in order to meet the cumulative score requirements in order to graduate.**
 4. **The student needs to retake a section or sections of the STAAR/EOC in order to graduate on the Distinguished Achievement Plan.”**

❖ All Four Scenarios Affect Graduation
