

## **ALEDO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** February, 19 2019

**AGENDA ITEM:** 2018-2019 District Instructional Focus Update

**PRESENTER:** Amber Crissey

### **BACKGROUND INFORMATION:**

- The development of an instructional data dashboard will provide the district with a systematic process for gathering multiple data points to track implementation levels of the district focus areas and to monitor student progress data throughout the school year.
- The Curriculum and Instruction Department constructed and disseminated a district-wide Teaching and Learning Survey to gather teacher feedback related to our district-wide instructional focus at the end of the first semester.
- The Teaching and Learning Survey consisted of a series of questions that focused on teacher perceptions of their professional learning opportunities, teacher confidence in delivering the district instructional focus areas, and teacher recommendations for future professional learning.
- The survey instrument was anonymous and 321 staff members participated in the survey.
- The Curriculum and Instruction Department has analyzed the Teaching and Learning Survey results and is utilizing the feedback data to drive teaching and learning opportunities in the second semester to ensure that we are responsive to teacher needs and feedback.

### **FISCAL INFORMATION:**

- Teacher professional learning requests may result in the purchase of professional learning resources and out of district training and presenters.

### **ATTACHMENTS:**

- Instructional Focus Monthly Implementation Data Report
- 2018-19 AISD Teaching & Learning Survey Board Report

### **ADMINISTRATIVE RECOMMENDATION:**

- None, report item only.
