Students**Student Dress**

The Board of Education has determined that reasonable regulation of school attire can further important educational interests including:

- (1) Reducing distraction and loss of self-esteem caused by teasing or competition over clothing;
- (2) Providing an environment where students can focus more on learning;
- (3) Enhancing school safety by making it harder to conceal weapons or contraband;
- (4) Creating a greater sense of community amongst the students;
- (5) Preparing students for the future roles in the professional workplace;
- (6) Creating an atmosphere reflecting seriousness of purpose about education;
- (7) Presenting a more positive image to the community; and
- (8) Minimizing disruption from wearing inappropriate clothing or possessing inappropriate items at school.

It is the responsibility of parents to ensure that their children's dress conforms to requirements set forth below. The health, safety and education of the child must be the concern of every parent/guardian. It is the recommendation of professional school personnel that parents/guardians hold their children to the highest standard in regards to school attire.

In order to maintain an environment conducive to the educational process, the Board of Education prohibits the following from wear during the academic school day:

Religious and Health Accommodations

Where the bona fide religious beliefs or health needs of a student conflict with the school attire policy, the schools will provide reasonable accommodation. Any student desiring accommodation shall notify their school principal in writing of the requested accommodation and the factual basis for the request. Approved coverings worn as part of a student's bona fide religious practices or beliefs shall not be prohibited under this policy.
