RE: Music Grant

Paul Scanlon has been the part-time art teacher in the New Directions program for the past two years. This year, with the addition of the ALOP funding, his position was increased in order to provide the students with more elective opportunities. His focus this year will be on music education.

Mr. Scanlon needed to purchase supplies and materials for the program. In doing so, he applied for and won a grant of \$975 to purchase a K-5 Complete Digital Resource Package for Music and Play from Themes and Variations in Danville, Washington. This grant has greatly reduced the costs of supplying materials for this program expansion. We are very appreciative of his efforts on behalf of the students in the New Directions Program!
