April 20, 2026

Softball

Softball is in a strong push for a district championship against Whitehouse this coming Friday evening in Whitehouse with a win against Lufkin on Tuesday. The regular season is coming to a close this week. The ladycats are currently in first with Whitehouse, Mt Pleasant and Lufkin rounding out the order. A strong finish by Marshall could potentially put them in the mix to represent the district as a four seed. The Ladycats are currently 20-6-1 on the season.

Baseball

Baseball is currently **19-6-1** on the season and have started the second round of district play. This week with matchups vs. Lufkin and Whitehouse is a really important week for the Bobcats. The Bobcats have 3 district losses with two of those coming from Mount Pleasant. Seeding is at stake this week as have only two weeks of the season left.

Track

Track has completed its season with Hallsville hosting the district track meet. We qualified 8 boys and 7 girls.

The boys have 3 boys in the 800 m run that have finished with times in the top 6 of the 800m for the area. With a good race there is a possibility to advance some boys out of the Area.
