

SCHOOL BOARD MEETING REPORT

Board Meeting Date: Oct 16, 2019 Superintendent: Dave Valenzuela

Administrator/Staff: Alicia Timbs

Type of Item: Informational Action

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

We are seeking board approval in applying for Northwest Community Credit Union's Project Community mini grant.

Provide history/background information on your proposal:

Fort Vannoy has a strong Destination Imagination program. Our school team has made it to Nationals the last 2 years. We have grown our program and this year we will have two teams. The teams did an incredible job of fundraising last year and raised around \$15,000 to fund their trip. The "start up" cost to get materials for 2 teams is \$580.00. This is the amount the we would like to apply for in the grant.

List the advantages of your proposal:

This grant would help fund our program.

List possible disadvantages of your proposal:

We may not receive the grant.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

We could have used school funds, however, with our tight budget we are looking at as many alternatives to start up our program as possible.
