

Graham Independent School District Board Agenda Item Synopsis

Subject: Effective Schools Framework (ESF) Targeted Improvement Plan (TIP)

Background Information: The goal of the Effective Schools Framework (ESF) is to provide a clear vision for what districts and schools across the state do to ensure an excellent education for all Texas students. Graham ISD has continued to participate in school improvement efforts at Graham Junior High School through the Effective Schools Framework (ESF). The component of ESF that drives school improvement is the Targeted Improvement Plan (TIP). This presentation will include a summary of the activities outlined in the TIP intended to increase student achievement.
