Re: Texas Education Code Chapter 22, Criminal History

Information Dear Contractor/Independent

Contractor/Vendor:

Effective January 1, 2008, a school district is required to take appropriate steps to protect pupils who may come in contact with a contractor's employees. Pursuant to Texas Education Code Chapter 22, as amended by Senate Bill 9, service contractors shall obtain criminal history record information regarding covered employees and certify to the District that they have done so. Service contractors who have employees who could come into direct contact with students while performing work at the South San Antonio Independent School District through an agreement with your company must pass a criminal background check. Therefore, it is your responsibility to perform a name-based criminal history background check on all affected individuals who were employed by your company prior to January 1, 2008. All affected employees hired by your company **after** January 1, 2008 must be fingerprinted and run through the Department of Public Safety (DPS) clearinghouse, a database containing an employee's national criminal history based on fingerprints, photos, and other identification that will enable both you and the South San Antonio ISD to have access to the employee's current national criminal history, and updates of the employee's subsequent criminal history. It is your responsibility to complete this process before the employee is hired or performs work in which the employee could have direct contact with students at the South San Antonio ISD.

If an employee has a criminal history background involving any of the following offenses, then that employee is ineligible to work on the premises of the South San Antonio Independent School District:

- An offense involving moral turpitude; ("Moral turpitude" is an act of baseness, vileness, or depravity in the private and social duties which a person owes another member of society or society in general, and which is contrary to the accepted rule of right and duty between persons, including, but not limited to, theft, attempted theft, rape, indecency with a minor, and controlled substances issues.)
- An offense involving a form of sexual or physical abuse of a minor or student, or other illegal conduct in which the victim is a minor or student;
- A felony offense involving the possession, transfer, sale, or distribution of, or conspiracy to possess, transfer, sell or distribute a controlled substance, as defined by Chapter 481, Health and Safety Code, or by 21 U.S.C. Section 801 *et seq.*;
- An offense involving the illegal transfer, appropriation, or use of school district funds or other district property; or
- An offense involving an attempt by fraudulent or unauthorized means to obtain or alter a professional certificate or license issued by the Texas Education Agency or the State Board for Educator Certification.

Texas Education Code Section 22.0834 requires that you certify to the South San Antonio Independent School District that you have received all criminal history information on all of your affected employees. In addition; you will need to maintain this information on file for inspection by the South San Antonio Independent School District when requested.

DPS has issued new instructions regarding procedures for fingerprinting newly hired employees of school district contractors covered by the new criminal history information legislation (Tex. Educ. Code 22.0834). Contractors will need to contact DPS, sign a user agreement, get an ORI, (Originating Reference Identification), and then get their FAST Passes (Fingerprint Applicant Services of Texas) directly from DPS, according to the procedures set out in the attached memorandum.

## **Instructions to School District Contractors Regarding Criminal History Background Searches Under Senate Bill 9**

Senate Bill 9 directs school district contractors to obtain state and national criminal history background searches on their employees who will have direct contact with students, and to receive those results through the DPS criminal history clearinghouse (Fingerprint-based Applicant Clearinghouse of Texas – FACT). In order for contractors to receive the information through FACT, they must first establish an account with the DPS for FACT clearinghouse access. The Company owner must sign a user agreement with the DPS. To obtain the user agreement and more information, please contact:

Austin, Texas 78714-9322

Email: Phone: (512) 424-2365 [FACT@txdps.state.tx.us](mailto:FACT@txdps.state.tx.us)

Additional users must be limited to those who need to request, retrieve, or evaluate data regarding the individual applicants.

**PLEASE NOTE:** After you sign the DPS User Agreement for FACT, DPS will provide you with a revised ***FAST Fingerprint Pass*** that you will have to provide to your employees and applicants. ## Independent Contractor Certification Form

**Introduction:** Texas Education Code Chapter 22 requires an independent contractor who provides services to a school district to obtain criminal history review if the independent contractor will have continuing duties related to the contracted services and direct student contact. Each independent contractor must certify with the District that the contractor has complied. Independent contractors with disqualifying criminal histories are prohibited from serving at a school district. Before work on this contract begins, Independent Contractor shall obtain criminal history record information through the criminal history clearinghouse as provided by Section 411.0845, Government Code relating to an employee or applicant who has or will have continuing duties related to the contracted services; and the employee or applicant has or will have direct contact with students. The Contractor must obtain criminal history record information before or immediately after employing or securing the services of the employee or applicant that has or will have continuing duties related to the contracted services if the employee or applicant has or will have direct contact with students. The Contractor further agrees that he shall assume all expenses associated with the criminal background check and shall immediately remove any employee or agent who was convicted of a felony, or misdemeanor involving moral turpitude, as defined by Texas law, from District property or the location where students are present.

The district may not obtain criminal histories for individual independent contractors: The law requires each contractor to obtain the criminal histories of its covered employees. For more information or to set up an account, a contractor should contact the Texas Department of Public Safety's Crime Records Service at 512-424-2474.

*Disqualifying criminal history:* (1) a conviction or other criminal history information designated by the District; (2) a felony or misdemeanor offense that would prevent a person from obtaining certification as an educator under Texas Education Code § 21.060, including an offense listed at 19 Tex.
