2025-26 GOALS FOR CORDOVA JR.-SR. HIGH SCHOOL

- 1) Successfully manage change processes to increase student academic achievement and growth.
- 2) Use data and best practices to refine and continue implementation of academic Tutorials and Interventions.
- 3) Refine implementation and maintenance of the RULER SEL program to drive student Social and Emotional growth.

These goals were developed based on prior year's goals, current student and state data, and conversations with district and community stakeholders.

Wolverine Core Values Awards Assembly

CHS held our 1st Quarter Wolverine Core Values Awards Assembly on November 4, 2025. Staff members nominated students who stood out for exemplifying our five Wolverine Core Values. In addition, we recognized our Junior and Senior High Students of the Quarter, who model all five values in and out of the classroom.

A big thanks to Christi Banks, Cindy Prohnappfel, and the Cordova Telephone Cooperative for their continued support and sponsorship of our awards. Congratulations to all of our amazing Wolverine Core Values winners!

- Junior High Student of the Quarter - Ava McManus
- High School Student of the Quarter - Pheobe Tschappat
- Passion - Jonas Hernandez-Fajardo
- Respect - Macey Wagner
- Accountability - Hasan Bowman
- Commitment - Jasmine Ridao
- Spirit - Jarel Borland

PWSSC Ocean Sciences Festival

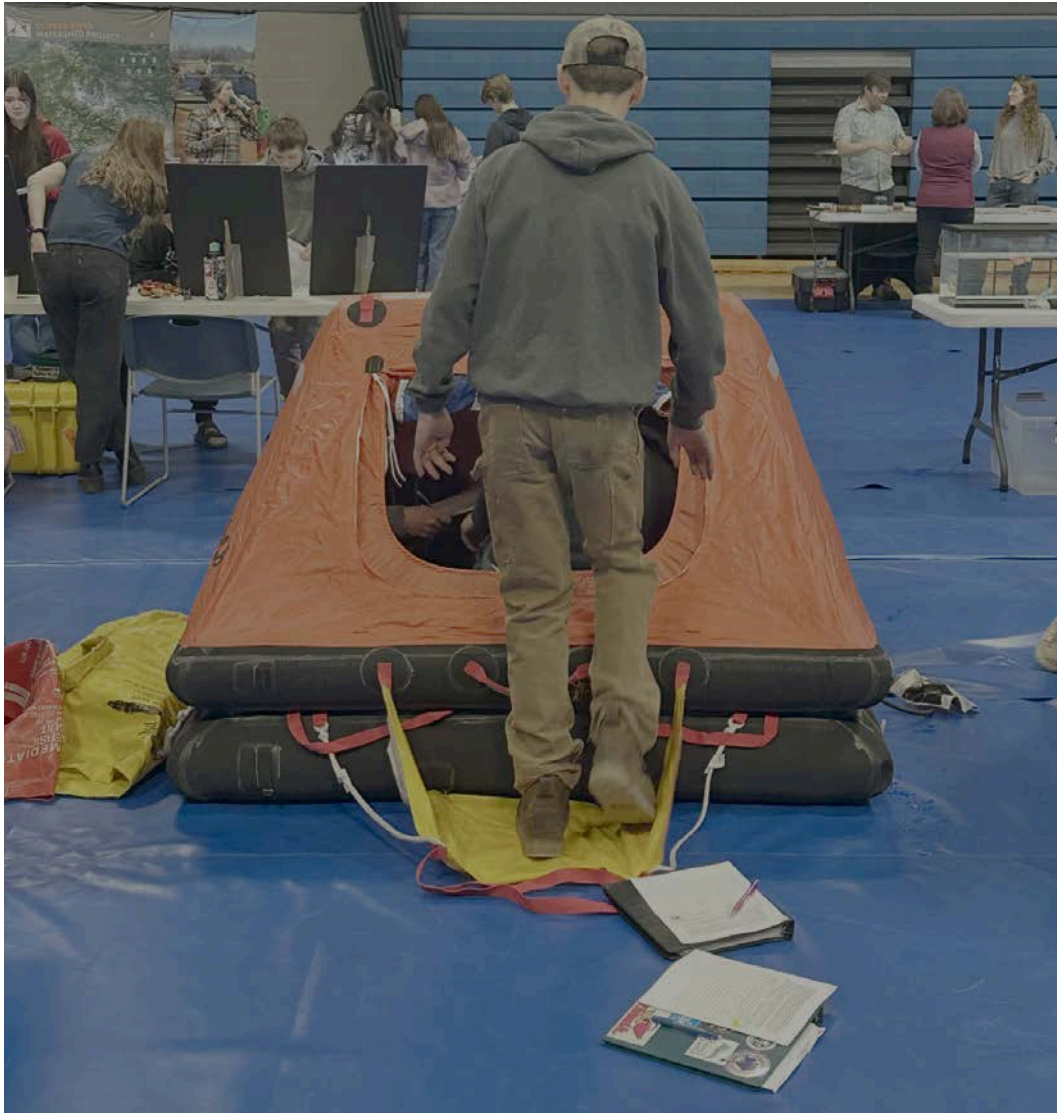

The Prince William Sound Science Center, in conjunction with CHS presented the Ocean Sciences Festival on November 7, 2025. The Ocean Sciences Festival is an experiential opportunity for students to meet with scientists and local businesses and learn about ocean sciences in Prince William Sound. Exhibitors included the Copper River Watershed Project, the CORaL Network, the Native Village of Eyak, Prince William Sound Aquaculture Corporation, the U.S. Coast Guard, Alaska Sea Life Center, Alaska Department of Fish and Game, and many others. Students worked to interview scientists to learn about their working impact in the Prince William Sound. Special thanks to Christina Reo, and the Prince William Sound Science Center.

Team Time

CHS conducted our second Team Time on Tuesday, November 9th. In this installment of Team Time, students used Hexagonal Thinking to find commonalities between themselves and other team members. Students answered a number of questions using hexagons, and then matched their hexagons to each other, helping to learn more about themselves, and to build a sense of community and camaraderie. All of our team's Hexagonal Thinking diagrams can be found posted at the entrance of CHS.

AASB Youth Leadership Institute

Two CHS students had the opportunity to represent Cordova Junior Senior High School at the AASB youth leadership Institute in Anchorage, November 13th through the 15th. Our two students worked to find their leadership voice and to identify opportunities in our community and school to which they may be able to build a plan to impact our students, school, and community. Our young leaders had a chance to meet with Lisa Murkowski, as well as a number of youth leadership advocates. Our students are excited to begin their work to fulfill their impact project, and we at CHS are excited to see where it takes us as a learning community.

Music All State

Congratulations to our Allstate singers. Six Cordova high school students were chosen to travel to Allstate in Anchorage to perform and compete with other students from around the state. Our singers had the opportunity to sing both as a group, and as individuals and to receive critiques and training from expert judges, to make their craft even better. We're proud of our Allstate singers.

Pheobe Tschappat - Soprano 1

Chelsea Mapili - Alto 1

Adelaide Botz - Tenor 1

Roman Quemado - Bass 2

Curtis Sanculi - Bass 1

Morgan Saiget - Alternative Alto 1

High School Volleyball

The high school volleyball team played hard during the 2A Regionals at Lumen Christi. Although our team played well, and had a number of close, highly competitive games, they did not advance to the state tournament. The team has a strong core and we're excited to see where they go in the 2026-27 season.

Site Council

CHS held our November site council on Tuesday, November 25th. Agenda items included possible handbook revisions for the 2026-27 school year. We again held our meeting at 5:00 pm, as was the time indicated by the community survey administered in October, however only one parent attended the meeting. We may decide to do more work around finding the best time to hold site council, as changing the time has not increased attendance. Due to the short month of December, we will not hold a site council in December.
