5405 Title I Parent and Family Engagement Policy

[Note: If the Board adopts this policy, it must be reviewed annually, and Parents must be given an opportunity to provide input.]

A. Development and Annual Review

This Policy will be jointly developed and annually reviewed, amended, and distributed to Parents and family members of participating students and the local community in an understandable format, and to the extent practicable, in a language the Parents can understand.

Parents and family members must have opportunities for meaningful input during the annual review process. Information about how Parents and families may provide input will be posted on the District's website. The annual review of this Policy's content and effectiveness will be used to design evidence-based strategies for more effective parental involvement, to revise this Policy, and to remove barriers to Parent and family participation.

This Policy includes a School-Parent Compact jointly developed by the District and Parents that outlines how the Title I school, Parents, and students share responsibility for improved student academic achievement and the means by which the school and Parents build and develop a partnership to help students achieve state education standards.
