Custodial/Maintenance Report

Training Conducted

The OSHA required safety training on asbestos awareness was conducted with all Dashir employees on March 18, 2015.

Inspections

Five inspections were conducted during the month of March. The results were shared with each individual custodian.

Projects Progress

- In the process of getting quotes for resurfacing the big gym floor.
- Waiting on a second quote from retro fit on LED parking lot lights.
- Received two quotes for installing a wall in the high school special education room.
- Southern Minnesota completed their annual inspection of the basketball hoops and lifts. They also replaced a safety strap while they were here.
- Needed to purchase new batteries for the auto scrubber. The old ones were no longer holding a charge.
