PCSSD Mission Statement

Pulaski County Special School District's mission is to provide **equity and excellence** for **ALL students** through rigorous college and career readiness instructional strategies.

PCSSD Vision Statement

Pulaski County Special School District is committed to creating a nationally recognized school district that assures that **ALL students achieve at their maximum potential** through the collaborative, supportive and continuous efforts of **all stakeholders** (teachers, administrators, support staff, families, **students**, communities and businesses).

Driven Virtual Academy Mission Statement

The mission of Driven Virtual Academy is to make **learning personalized** for **ALL students** by targeting **individual interests** , providing **opportunities for growth** , and integrating **blended learning models** for the purpose of meeting the individual needs of **all students** .

PCSSD Serves Students Through...

- Traditional Model
- Schools of Innovation
- Alternative Learning Environment

Driven Virtual Academy Supports Students & Families...

- Homeschool
- Social Emotional
- Health Concerns
- Families Who Travel
- Accelerated Learning
- Work Force

- Reaching PCSSD-zoned students who do not currently attend a PCSSD School
- Extending to students outside PCSSD via school choice
- Serving school and community simultaneously
- Options to participate in extracurricular activities

Driven Virtual Academy Goals

Academic

- Driven Virtual Academy will earn and maintain a state letter grade of A or B as reported by the ADE.
- 80% of Driven Virtual Academy students will meet or exceed state and/or district averages in academic growth in ELA/Math/Science based on state assessments.

Student Growth

- As a result of creating and following student growth plans, 90% Driven Virtual Academy students will increase academic performance.

Student Interest/Community Involvement

- 80% of Driven Virtual Academy students will participate in service projects starting in middle school to increase exposure in various industries for the purpose of connecting to future career fields.
