Subject: Approval of Superintendent to teach at Baylor University

MISD Board of Trustees: December 17, 2024

Agenda Item – 7A6

Background Information

According to TEC 11.201(e), the superintendent must receive approval from the Board of Trustees to receive compensation for services provided to an institution of higher education.

Baylor University has invited Chris Allen, Midway ISD Superintendent, to serve as the instructor for EDL 6344 (School Finance). This item requests that the Board allow Dr. Allen to teach this course for compensation commensurate with Baylor's standard compensation plan.

Fiscal implications

none

Administration Recommendation

Approve Dr. Allen to teach course EDL 6344 at Baylor University for compensation commensurate with Baylor's standard compensation plan
