RE: Request for Proposal (RFP) 24-05 General Products & Services

This proposal was created on behalf of the District for the benefit of all campus/department locations. In accordance with state law, a notice was published in *The Hart Beat* on September 23 and September 30, 2024. Submittals were opened as they were received. The District has received a total of 68 responses to date. A total of three (3) new vendors are being presented for approval on this item. This item was previously presented to the board for approval on July 31, 2025. The purpose of this bid opportunity is to compile a pool of vendors that are able to offer products & services to the District related to the day in and day out operations of the District in the areas of facilities, maintenance, transportation, office supplies, general supplies (e.g. plumbing, HVAC, electrical, vehicle parts/supplies and services). The District will continue to receive and review vendor responses and bring them to the board for approval periodically. This bid opportunity is for a five (5) year period; allowing the District to continue to vet and add vendors to the existing listing. This will allow the District to expand upon vendor options. The contract period will commence upon execution of contract and ending on September 27, 2029. As submittals are received, they will be added to a listing that will be presented to the Board of Trustees for approval at future meetings.

Evaluations were completed based on criteria identified in the Request for Proposal, which required vendors to submit various documents as a part of their packet. This solicitation is formed as a catalog discount pricing model for the purchase of various materials and supplies required throughout the District. Therefore, the evaluation process was limited to verifying the type of products provided to avoid conflict with other contracts that may currently exist. In addition, the review included making sure that the goods offered for sale complied with established standards and were compatible with the needs of the District.

It is recommended that the Board of Trustees approve all the submittals for RFP 24-05 for General Products & Services as presented in the attachment and delegate the authority to the Superintendent or her designee to execute all contracts and related documents necessary to complete any related purchases.

Expenditures may be made from all funding sources.

All board members, employees and agents involved in the planning, recommending, selecting or contracting of a vendor are reminded of the conflict-of-interest reporting requirements as mandated in Chapter 176 of the Local Government Code. A copy of Form CIS has been included as an additional attachment. In the event that a conflict exists, the form should be completed and submitted to the Purchasing Department not later than the 7th day after the conflict is identified. Once a recommendation to make the purchase was established, the prospective vendor was requested to complete a Texas Ethics Commission Form 1295. This requirement became effective on January 1, 2016 and is related to the passage of House Bill 1295 which is now incorporated into the Texas Government Code 2252.908. The form is attached and identifies all interested parties associated with the vendor as it relates to this procurement. Upon approval by the Board of Trustees and issuance of a district purchase order, the form will be posted on the Texas Ethics Commission's website as required by statute.
