Dear Kevin and Tim:

I want to take a moment to thank you for committing your resources to the support of the SAVE-Students Against Violence-Everyday™ non-profit organization. We understand that, without your support and interest, this program would not exist. We further understand the importance of your role, where, apparently over \$500,000 in resources have been provided to students in need of temporary services, at no cost to their families or taxpayers. This is quite impressive.

From all of us here, we wish you and your future successors the best of luck with the Prescott Unified School District program.

Best wishes,

A handwritten signature in cursive script that reads "Tom Horne".
