

BOARD OF SCHOOL TRUSTEES  
KELLER INDEPENDENT SCHOOL DISTRICT

**4F. Action Date: December 12, 2005**

**SUBJECT: WAIVER TO ESTABLISH THE NUMBER OF FOREIGN EXCHANGE STUDENTS AT EACH HIGH SCHOOL CAMPUS**

**BOARD GOAL: All students will achieve educational excellence.**

**FISCAL NOTE: None**

**Background Information:**

- Keller ISD has previously received a waiver from the Texas Education Agency to limit the number of foreign exchange students to five students per high school campus.
- Currently Keller ISD serves fourteen foreign exchange students from nine different agencies.
- The 2005-2006 school year is the last year of the existing waiver.
- The presented waiver was discussed at the District Education Improvement Committee on November 7, 2005, and was approved by the DEIC.

**Administrative Considerations:**

- Keller ISD requests the renewal of the Foreign Exchange Student Waiver, pursuant to TEC 25.001 (e) for 2006-2007 and 2007-2008, to limit the number of foreign exchange students to five students per high school campus.
- Restrictions on enrollment of foreign exchange students are necessary due to high student population and limited classrooms and teachers.
- An Administrative Regulation has been drafted to provide an exception that no foreign exchange students will be accepted on a KISD high school campus in an academic year where transfers are closed to in-district students.
