Bottom of Form

Background Information:

This project is for an Elementary School Campus in the Wildhorse neighborhood. The Architect for the project is Stantec. The Construction Manager at Risk for this Project is Lee Lewis Construction, Inc. The budget for this project is \$35.5 million, which will come from 2019 Bond funds. The anticipated cost of the project is \$39,075,557 at this time, but Administration continues to negotiate regarding the cost.

Administration has been working with the design team and contractor on this project, and the Architect will be providing the Construction Documents for this project for board consideration and approval.

Fiscal Implications:

None at this time.

Administrative Recommendation:

Administration recommends that the Board approve the Construction Documents as presented by the Architect. The proposed motion language is: "I move that the Board approve the Construction Documents for the Elementary School No. 10 Project as proposed by the Architect/Administration."
