1. No more than 4 to 5 students should participate.
2. Radio ads need to be 30 to 60 seconds in length.
3. Students can perform a song, jingle, or read factual information concerning any drug prevention message.
4. Students need to practice.
5. They may perform one at a time or together. If they perform together it takes more practice for them to be together.
6. Students should introduce themselves and name the school they attend during the ad.
7. Fredna Lair will pick them up and return them in a school vehicle.
8. Permission forms are the responsibility of the individual campus. It is all up to the administrator.
