Re: Review of Bid Results for Construction at Franklin High School – 2013 Bond

We would like to discuss the bid responses received for the construction project at Franklin High School at the next Building and Site Committee meeting on Monday, March 23, 2015.

The RFB for the construction project at Franklin High School was made available on February 17 2015. Our Owner's Representative Plante Moran Cresa conducted a mandatory pre-bid conference on February 24, 2015. The bid responses were due on March 12, 2015. We received many responses and Cresa is currently reviewing the information. The process for evaluation will be in accordance with the criteria that were established previously.

The bid responses will be available in the Business Office conference room for any Board member that would like to look at the documents provided by the various firms. We will have a week between the committee and the regular meeting to answer any questions you may have.

On Monday, March 23, 2015 at the Building and Site Committee meeting Plante Moran Cresa will present the results of their evaluation to the Board of Education and provide recommendations for next steps in the process of selecting the vendors for the construction project at Franklin High School. As always, please let me know if there are any additional questions.
