For Meeting: Monday, June 8, 2026

Special Recognition: In Honor of Her Devoted Service to Our 21 Angels

It is with profound gratitude and the deepest respect that we recognize and honor Ms. Teresa Nira — a woman whose quiet devotion has spoken volumes over these past four years.

With unwavering love and selfless commitment, Ms. Nira has served as the faithful steward of the three memorial sites honoring our beloved 21 angels. Through every season — through summer's heat and winter's chill — she has tended to the crosses that stand as sacred reminders of lives forever cherished. Her hands have cared for these spaces so that families, friends, and community members always have a place of peace and reflection to visit, to remember, and to grieve.

For four years, Ms. Nira has carried this responsibility not as a burden, but as a calling. She has ensured that each memorial site remains a place of dignity, beauty, and reverence — a testament to the lives of our 21 angels and to the love that continues to surround them. Her dedication has given us all the gift of knowing that our angels are not forgotten, that their memory is lovingly kept.

Today, as Ms. Nira graciously passes this honor on to another, we want her to know that the footprints she has left upon these sacred grounds are permanent. The care she has poured into this work, the love she has brought to every visit, and the respect she has shown to the memory of each and every angel will never be forgotten by this community.

With Heartfelt Appreciation: Teresa Nira
