

Activities Director/Dean of Students Report

May 18, 2022

### News/Notes

- Congratulations to this year's Senior Athletes of the Year: Mya DeCent and Frankie Meyer!
- Congratulations to Kalli Papenfuss for signing a letter of intent to play volleyball at Central Lakes College next year!
- On May 6th, the track at Crosby-Ironton was renamed the Roger Twigg Track. It was a beautiful day for the event and Mr. Twigg was very grateful to have shared it with close family and former athletes.
- It has been a very hectic spring with many weather cancellations and rescheduling. I am very appreciative of the resilience and flexibility of our student athletes, coaches, and families.
