Anyone interested in attending, please see Ms. Bolton for tickets.
  
- Community Education is now kicking off our Holiday season celebration. The “HOLIDAY GIVING TREE” will be up at the Central office for anyone interest in adopting a family. Each year, several of our vendors, partners and staff participate as secret Santa for families around the district.
  
- Thornton Township Holiday Food Drive is coming to a school near you. Each school will receive a “BIG” box for holiday food donations. If your school is participating in the food drive, please let Ms. Bolton know so that we can set up a pick-up time for your donation. Thornton Township will be picking up each box from all participating schools.
