Re: Athletic Director Report October, 2024

We are on the back stretch for Fall Sports. We are excited about the end of the season and the potential for each of our sports to do well at the district and state levels.

Fall Sports -

Volleyball

Volleyball is currently 2-6 in conference. They are an extremely young team with mostly sophomores and juniors. They are competitive and play teams close. The young players are getting a lot of in game experience that will hopefully pay dividends in the future. The two sub varsity teams will most likely not qualify for their district tournaments. Varsity districts will start on Saturday, Oct. 19th. We will most likely finish fifth out of the seven total teams in the conference.

Football

Varsity Football is currently 1-0 in league play and 5-0 overall. They have a big game this Friday at Weiser. Should be a very competitive game.

The JV team is also 4-0 overall. Coach White and his staff have done a great job thus far.

The Frosh team is 3-1 overall with one more game for sure vs. Fruitland and another potential vs. Marsing's JV towards the end of the season.

Cross Country

Cross country continues to see improvements each week and kids hitting new PR's almost every race. Their district meet is on October 22nd at Payette.

Girls Soccer

Girls soccer is doing great. Their conference record is 7-3. They are sitting in third place in the conference. They play McCall this Thursday, who is in second place. Districts for soccer start on Oct. 12th.

Winter Sports-

Girls Basketball - First Practice date is November 4th.

Boys Basketball - First Practice date is November 15th.

Wrestling - First Practice date is November 18th.
