Submitted by: Dr. Suzy Meyer, Area Chief of School Leadership

Approved for Transmittal: 

Board Meeting Date: 03/13/2025

Recommendation:

Requesting board approval for South Grand Prairie HS Archery Team to travel to the 2025 National. The competition will be held in Sandy, Utah, April 24-27, 2025. The South Grand Prairie High School Archery team will be representing the state of Texas and Grand Prairie Independent School District.

Rationale:

Students qualified at the state level to compete at the national competition. The school implemented archery as a class and utilizes the curriculum of National Archery in the Schools. Research data shows that archery improves micro- and macro-ability as well as listening and observation skills. Archery also contributes to a student's overall attention span and focus.
