Mrs. Campbell explained to the team that even though the composite scores looked similar, there was growth going on within each group especially in their priority focus areas for each grade level and for the kids being progressed monitored. The key is to observe the growth from mid-year until the end of the year assessment and understand this is one assessment measure and it should be reviewed with other assessments to get a complete picture of individuals.

4) School Improvement Assessment Discussion:

- a. Reviewed timetable with team (December 10th, February 18th, and March 17th) for district
- b. Team looked at Long Term School Goals and Metrics for Evergreen and reviewed samples of others (Main Dish of CIP for School) and we need to create 2 goals based on the Needs Assessment
- c. Team agreed that based on the assessment that we will write our goals around reading by 3rd grade and behaviors for the school(SEL).
- d. Mr. Regal will work with the Teacher team on February 10th to finish up these sections (Goals and Metrics).
