 - **David Hoover-** I was born and raised in Rialto, California (Southern California). I joined the U.S. Coast Guard on February 14, 2000 and after boot camp I was stationed in Sitka, Alaska. I have sailed all around the world, including to the North Pole, through the Panama Canal three times and circumnavigated the globe on the Coast Guard's largest icebreaker in 2023. After multiple tours in Alaska, Washington, Oregon and California I recently retired after 25 years of service as a Senior Chief Culinary Specialist. I have been married to my wife Anna (who is from Petersburg) for 24 years, I have two adult children Christopher and Jacob and a two year old chocolate lab named Charlie with another red lab (Ruby) on the way. I love to cook all types of food but I especially like to grill and make barbecue.
 - **Ronald Dela Cruz-** I am from a small town of Salinas Ca. aka the "Salad Bowl". Agriculture and produce was my backyard. My Mom was my biggest influence and inspiration for cooking. My first job and cooking job was in a pizza hut when I was a sophomore in high school. It wasn't until much later in life that I decided to cook in restaurants, it was 2011 when I took it on as a career path. My favorite meal, Really Good sushi is up there on the list and my mom's chicken adobo. If there is Tiramisu on the menu I am ordering it! Fun fact author John Steinbeck is from my hometown.
 - **Amie Grimm-** I am a proud Coast Guard wife and my husband recently took command of the USCGC Pike. We have two kids, Sam who will be going into 6th grade and Ben who will be entering 5th grade. I love to do

cross stitch, forage wild berries and mushrooms. I volunteer at every place we've ever lived, doing everything from meals on wheels and staffing the homeless shelter to summer lunch programs. My favorite meal is venison crostini with a parmesan cream sauce or coffee rubbed goose breast nachos! My husband is a mean wild game cook! My favorite dessert is creme brulee. We are an incredibly active outdoor family and love to spend time exploring any chance we get with our dog, Aquinnah. A fun fact about me is that my husband and I got married in Italy! We also have been trying to get stationed back in Alaska since we left in 2020 so to say we are excited to make Petersburg our home is an understatement! I am so looking forward to joining your team!
