HOMECOMING AT THE CASTLE

Last week, Dixon High School celebrated our annual Homecoming events. Organized by the DHS Class Officers and their advisor, Mr. Eddy, the event was the culmination of several hours of hard work.

Homecoming activities began with each class decorating a hallway to show their class and school pride. This kicked off a week of themed dress-up days, always a favorite among both students and staff. Activities continued throughout the week with several home sporting events, including volleyball, soccer, and tennis.

The end of the week featured our traditional Spirit Day, pep rally, Homecoming parade, and football game—this year against Stillman Valley, where our Dukes won 55-0. The Homecoming court was officially announced at halftime, with Gage Helfrich and Kate Boss being crowned this year's Homecoming King and Queen.

The festivities concluded on Saturday with the annual Homecoming dance, held this year at Dixon's Riverfront. Over 500 tickets were sold, and students spent the night dancing and enjoying time with their friends.
