

**SUMMARY OF CHANGES TO DESE RULES GOVERNING
FEDERAL PROGRAM COMPLAINT RESOLUTION**

The purpose of these rules is to set forth procedures for the resolution of complaints concerning federal programs under 20 U.S.C. §§1232c, 7844, 7881, and 7883. The changes to these rules amend the names of the title programs to update them to the current names under the Every Student Succeeds Act (ESSA). Language concerning the Arkansas Department of Education has been updated to the Division of Elementary and Secondary Education. No other changes have been made.

A change was made at section 4.03.1 to correct an inconsistency with section 4.01. For private school equity complaints, the complaint is necessarily against the LEA rather than the state agency.
