

# BILINGUAL/ ESL PROGRAMS HIGHLIGHTS

7,096 Emergent Bilingual students 2024-2025

The percentage of Emergent Bilingual student enrollment has increased by 4.29% over the past 5 years.

488 students reclassified at the end of the 2024-2025 school year.

## GOALS OF BILINGUAL & ESL PROGRAMS

- Implement academic programs to accelerate the learning of the English language and biliteracy for emergent bilinguals

- Provide research-based professional development and campus support on best instructional practices to meet the needs of emergent bilinguals

- Increase engagement of emergent bilingual parents, families, and members of the community to improve academic outcomes for students

- Ensure federal and state guidelines are implemented and supported with proper documentation on the instructional plans for each emergent bilingual
