

Brackett Educational Academy

Student Population:

- 18 students are enrolled in Brackett Educational Academy with one student on Homebound until April 2006. she is being served by a homebound teacher, and her work is being prepared by the Academy.
- 30 cumulative credits have been earned with an anticipated 10-15 more by December 22. Thus, we have 7 students who anticipate graduation in May 2006.
- DAEP – 4 Junior High Student, 2 Elementary Students. 4 of the students will be here through December 22.

Student of the Month:

Zulema Reyes is our Student of the Six Weeks. We want to recognize her for:

- Strong Work Ethic and determination to complete courses for graduation.
- Character Development
- Her eagerness to help her fellow students.

School News:

The students have created some very unusual sculptures with Styrofoam. The most recent completion is about PEACE. Students are reading the novels, “ To Kill A Mockingbird” and Seabiscuit.

Project Outdoor Gathering

The picnic tables are built and stained, and students use them during break time. Our next phase is to move the fence forward so that the basketball goal can be installed. In the Spring, we plan on landscaping the area.

Arts at the Academy

The students have created more sculptures and they also have created “Read Beads” which they will have at campuses next week . They are beautiful beaded bookmarks. Great Christmas presents.

Liberal Arts:

Guided Reading of the Novel, “1984.”

“Spiral RAP” - From everyday musings to vocabulary. They write everyday.

Tutoring

ON-going one-on-one tutorials are taking place for TAKS. Science has been the focus this six weeks.
