**Re: Memorandum of Understanding Regarding Dallas County Juvenile Justice  
Alternative Education Program (DCJJAEP)**

As is our yearly routine, we are requesting board consent on the Memorandum of Understanding (MOU) with Dallas County regarding the use of their JJAEP for students enrolled in Coppell ISD.

There are no major changes to the MOU, just a little tweaking to reflect any influence from the 83<sup>rd</sup> Legislative session and updates from the governing board. The MOU also includes the increase in cost per student. The wording has been adjusted to reflect recommendations for clarification with law.

Please let me know if you have any questions.

Thank you!
