RE: MEAL PRICES for 2006/2007

I recommend that student meal prices remain the same for the 2006/2007 school year. Our last meal price increase was in 2003/04, and we should be able to maintain those prices for at least another year.

For your information, adult meal prices remain approximately equal to the average income for student meals. Therefore, we will continue to be within TDA and USDA regulations in regards to adult meal prices.

The Breakfast for Champions program continues to be a break even proposition. We are excited to be able to continue this program as another means of assisting in the educational process. Thank you for your continued support of this program.

CURRENT MEAL PRICES

Elementary Student	n/c	\$1.45
Secondary Student	\$.85	\$1.75
Elem. Reduced-Price	n/c	\$.40
