Good Afternoon,

Please accept this letter as notice that I will be resigning from my job, teaching Math at the end of this school year.

This is my 24th year in the teaching profession, I have a Bachelor's degree with a Major in Chemistry, and Math, a Master's degree and I am a Nationally Certified teacher. I am certified to teach till 2021 in other states but with the change in the law in Montana my certification expires June 30, unless I pass the Praxis exam. The time spent teaching for me has been challenging, rewarding and growth filled.

Thank you for the support and the opportunities you provided me over the course of the last two years. It has been a pleasure working with you and the staff. I have totally appreciated your support for me taking the Praxis test again. However, I do not think I can double my speed at solving the problems encountered on the test. I am sure I can do many of the problems but just not all of them in the time allotted. I had fully intended to spend at least five years here, teaching, but with the recent results, I believe it is time for me to retire.

The experience and opportunity to teach here at Browning High School has been the highlight of my career. The staff has been so supportive of me and the student's I just love.

To be thoughtful of your need to fill the position by fall, I am resigning my position here at Browning High School.

Sincerely,

Debra High
