Dr. Abe Saavedra, TEA: Good evening ladies and gentlemen. First of all, congratulations to the Board for sticking the LSG training. Y'all have done that very well and I believe there is two more training sessions scheduled for this next month in May. I would encourage you to continue to follow those directions so that the information provided to the agency remains positive. Also in the most recent report that I submitted, as you know now I am also required to score the Lone Star Governance template. While last month there was zero points this month there is 12 points, so I would encourage you to continue to do the right thing as we continue to improve on that. Those are my comments, thank you.
