## **Objective**

Collaborate to provide an affordable cost-share model of course delivery for school districts to expand access to college-level courses for students on the high school campus and define pathways of 15 and 30 transcribed credits as well as associate and bachelor's degree pathways through the MyUniversity Guarantee. This agreement helps remove cost, transportation and time barriers to higher education and meet or exceed the dual enrollment requirements of Ohio Revised Code Chapter 3365. Brecksville-Broadview Heights and Lorain County Community College commit to collaboratively deliver educational programming and support services to foster student success and agree to adhere to the applicable responsibilities and expectations included in Ohio Revised Code Chapter 3365.

Ohio's dual credit program, College Credit Plus, are based upon the following guiding principles:

- Students will always be the primary beneficiary of education policy;
- It is the responsibility of secondary and higher education institutions to work collaboratively and think innovatively in order to advance the achievement and success of Ohio's students;
- The College Credit Plus program should be structured to ensure open access to all college-ready students with minimal need for contributing student resources;
- There must be flexibility in the College Credit Plus program in order to encourage innovation;
- Increasing the participation rates of underrepresented and low-income student populations in programs that result in higher education rates and postsecondary persistence is an important education priority for the state; and
- Providing students with the opportunity for career exploration and promoting exposure to relevant college courses while in high school has value to students, parents, and the state.

## **Scope of Work**

Brecksville-Broadview Heights and Lorain County Community College (LCCC) will determine the college courses, certificates, and degree pathways to be offered at Brecksville High School based upon the goals of Ohio's College Credit Plus, the MyUniversity Guarantee, school district needs, faculty qualifications (credentials), and faculty course mentor availability.

LCCC and Brecksville-Broadview Heights will follow the "Commission Guidance on Determining Qualified Faculty" as established by the Higher Learning Commission and adopted by the Ohio Department of Higher Education. LCCC academic deans have final approval with regards to qualified faculty.

High school teachers, as LCCC adjunct instructors, will be provided with LCCC faculty course mentors. Together they will establish course expectations and ensure resources necessary to satisfy LCCC course outcomes.

## **Delivery**

Criteria for student participation will be based on Ohio's Remediation Free Standards and LCCC's placement criteria which includes considering high school preparation, performance on the college placement assessment, and/or ACT or SAT scores, and GPA.

LCCC will administer the college placement assessment and other assessments as necessary at the request of the high school. Class time and mode of delivery will be structured to suit partner needs.

The course framework will be the same as courses taught at the LCCC campus and apply toward a degree or technical certificate\*. The course description, course syllabus and course description with student outcomes (CDSO) document will be shared and reviewed, prior to the start of the term, with the high school instructor. Textbooks used will be the same as those used at the LCCC campus, including any online homework system used in particular courses.

LCCC academic deans have overarching responsibility for the standards, consistency and quality of the LCCC courses delivered at all sites.

Brecksville-Broadview Heights and LCCC will be in possession of confidential educational records and may not share or disclose these educational records with any party other than the student, the student's parents, school district and LCCC partners unless the student grants written permission otherwise.

### **Cost-Sharing**

For courses offered at the School District and taught by appropriately qualified School District teachers, the Ohio Department of Education and Workforce shall reimburse the College the "floor" amount as set by the Ohio General Assembly, which is currently forty-one dollars and sixty-four cents (\$41.64) per credit hour. For courses offered at the School District and taught by a College instructor, the Ohio Department of Education and Workforce shall reimburse the College Fifty-two dollars and fifty cents (\$52.50) per credit hour. For courses offered at the College, the Ohio Department of Education and Workforce shall reimburse the College eight dollars (\$80) per credit hour. For students enrolled in LCCC courses online or located at an LCCC college campus the school district will be charged a \$25 per credit hour flat rate for ALL required, priced course materials, which includes textbooks, both physical and digital formats, and any other supplies noted on the course syllabus as required. Course materials subject to this rate include materials such as electronic resources that provide instant access or have been curated by faculty. Students will return all course materials to the LCCC Commodore Books and More (bookstore) at the end of each semester. Students who do not return their books may be billed for the balance of the cost of the book.

For students enrolled in LCCC classes taught at their high school the school district is responsible for the purchase of and reuse of textbooks. It is strongly encouraged that textbook purchases be made through LCCC Commodore Books and More (bookstore), as this helps facilitate streamlined access to required materials and supports established course processes leading to improved student success.
