"Developing the Full Potential of the Individual"

Independent School District No. 51
Eric Inglis
Activities Director

March 31, 2026

Dear Mr. Posthumus and Members of the Foley School Board,

Please accept this letter as my formal resignation from my position as Activities Director at Foley Public Schools, effective June 30, 2026. Beginning July 1, 2026, I have accepted the position of Activities Director at Hutchinson Public Schools.

I am committed to fulfilling my current contract and ensuring a smooth and successful transition through the remainder of the school year.

I would like to extend my sincere gratitude to each of you, the entire Foley Public Schools staff, and the Foley Community for the opportunity to serve in a variety of roles since 2010. From my very first day, I have truly enjoyed every moment of being part of this district. Foley took a chance on me as a young educator, and I will always be grateful for the opportunities that decision has created for me over the past 16 years.

During my time here, I have been fortunate to build meaningful connections, strong professional relationships, and lasting friendships. The memories I have made in Foley will always hold a special place in my life.

Thank you again for your support, trust, and partnership throughout my career. I wish Foley Public Schools continued success in the future. I will sincerely miss being a part of this incredible community.

Sincerely,

Eric Inglis

Daniel W. Posthumus 4-1-26
