

Consider approval for the purchase of Writable

1. Background:

The Curriculum & Instruction department requests the renewal purchase of Writable student licenses to support writing skill development for 3rd–5th graders, 6th–8th graders, and high school students in English I and II. Writable is a digital writing platform that offers an extensive provides immediate feedback from teachers and peers, assists with revision, grammar, and originality checks, while accessibility features and data reporting help tailor instruction and track student progress.

2. Process:

Pricing was competitively procured through the Student Software and Educational (RFP #2223-121).

3. Fiscal Impact:

The total cost of Writable student licenses will not exceed \$117,180.00 and will be funded through campus budgeted Title I funds.

4. Recommendation:

It is recommended that the Board approves the renewal purchase of Writable student licenses at the cost of not to exceed \$117,180.00

5. Required:
