**KELLER INDEPENDENT SCHOOL DISTRICT**

**10H. Preview**

**Date: April 14, 2008**

**SUBJECT: TRI-COUNTY ELECTRIC COOPERATIVE ELECTRIC LINE EASEMENT ON TIMBERLAND BOULEVARD**

**BOARD GOAL: Keller Independent School District facilities and services will be operated in a safe manner so that all students and employees may thrive in a secure and nurturing environment.**

**All systems in the Keller Independent School District will be effective, efficient, and accountable in support of the district's mission.**

**FISCAL NOTE: Bond Funds**

**ANTICIPATED DATE FOR ACTION: April 28, 2008**

**Background Information:**

- Our District is served by two (2) electric power companies; Tri-County Electrical Co-op and TXU Energy.
- At all of our sites, we grant an access easement along the route power company lines follow to connect to our electrical equipment.

**Administrative Considerations:**

- This is a requirement for service from both electrical providers. Granting this easement has no detrimental effect on our facility.
- The district's legal counsel is reviewing the document.
