Dear Anna, John and Crew,

On behalf of the Nehalem Elementary School, I would like to thank you for supporting our Backpack Program during the 2021 school year. We appreciate the time and energy your team members spent helping to organize, order and distribute wholesome foods.

As with many endeavors, we couldn't help bridge the weekend food gap without a little help from our friends. I know that community partnerships, like ours, are the heart of our coastal towns. It is the spirit of giving back to the community that helps us make it through the ebb and flow of these difficult times.

We look forward to working with you in the new year and continuing to serve the families and children together and foster the love of learning.

Best Wishes,

Heaven Hartford
