**Special Instructions**

Missed School Days Waiver, pursuant to TEC 25.081, allows the district or campus to request a waiver if instructional days are missed due to weather, health, safety, or other issues. This application is due no later than July. Refer to the Student Attendance Accounting Handbook 3.8.1.3 for additional information on Missed School Day Waivers.

Note: A district may request this waiver for additional school days missed because of weather, safety, or health issues beyond the two days that must be made up with the district's two designated makeup days or additional minutes built into the originally adopted calendar.

You may enter each campus and the number of minutes attended on that date individually within a single waiver application. Alternatively, if your district was closed you may select "All Campuses". If the number of minutes of operation varies by campus on the missed school day for "All Campuses", please report the greatest number of minutes on the date school was missed in the "Number of Minutes Per Day". Please note that in PEIMS you will claim the actual number of minutes your district was scheduled to operate on the specific date by campus. The waiver minute reporting is used to total the number of attendance related waiver minutes by year. Per Student Attendance Accounting Handbook 3.8.2 Closures for Bad Weather or Other Issues of Health or Safety, you are limited to 4,200 minutes for attendance waivers of any kind.
