Dear Julie Sterns,

I am reaching out to formally submit a FOIA request for Rodent-Pest Control that has been completed by District 161 for Mary Drew School from January 2023-present. I am also requesting the number of service visits in this past calendar year as well as the contract you have in place for the pest control company. It has been brought to my attention the concerns of multiple people regarding mice and possibly other pest issues in the building. Mice have been seen running around the building, in the gym and constant mice droppings throughout.

Per the SHSD161 FOIA request procedure, please see my personal information listed below:
