**Date:** 2021

**Readability:**

*The following criteria were adopted and/or adapted from the American Library Association Workbook for Selection Policy Writing.*

- 1. Learning resources shall support and be consistent with the general educational goals of the state and the district and the aims and objectives of individual schools and specific courses.**

Street Law: A Course in Practical Law (2021) empowers students with the legal and civic knowledge, skills, and confidence to be engaged and informed citizens while affecting positive change. This student-centered, interactive program now features a brand-new chapter on environmental law that includes information on important federal legislation like the Clean Air Act and Clean Water Act. Current topics such as cyber-crime, identity theft, intellectual property rights, terrorism, immigration, and marriage equality are also discussed as they relate to legal situations. This course's democratic pedagogy ensures the development of high-level critical thinking and problem-solving skills, engagement, and communication skills.

- 2. Learning resources shall be chosen to enrich and support the curriculum and the personal needs of users.**

This edition is available in both online and print formats.

- 3. Learning resources shall meet high standards of quality in format, visual quality and presentation:**

This text is easy to understand and is designed for the high school learner.

- 4. Learning resources shall be appropriate for the subject area and for the age, emotional development, ability level, learning styles, and social development of the students for whom the materials are selected.**

This text is user friendly for students at all high school grade levels and offers support of case studies, current topics, online support, law basics

through business legalities. It covers everything and is a great resource for students.

**5. Learning resources shall promote an appreciation of cultural diversity.**

Current topics such as cyber-crime, identity theft, intellectual property rights, terrorism, immigration, and marriage equality are also discussed as they relate to legal situations.

**6. The publisher provides appropriate support materials**

Whether you are teaching high school law for the first time or have over a decade of experience, *Street Law: A Course in Practical Law* can set you up for success with online lesson plans that provide:

- Answers to problems in the Student Edition
- Background information on legal topics
- Student activities
