Good morning,

[REDACTED] will be bringing 3 checks by today. She is donating to the following 3 clubs so approval for their acceptance would need to be added to the Board agenda meeting for 12/16.

She was very insistent these checks be cashed before the end of the year. At this time, she wishes to remain anonymous. I will confirm that with her when she brings the checks.

Girls basketball: \$1470.00
Boys baseball: \$1600.00
FFA: \$1075.00
