Re: Establishing Depositories

Date: May 19, 2025

---

**Background:**

Section 105 ILCS 5/8-7 of the Illinois School Code requires the Board of Education to designate depositories for which school funds and monies should be kept. Each of the institutions that are approved as depositories are required to comply with Section 6 of the Public Funds Investment Act (30 ILCS 235/6).

**Situation:**

Currently, the District is using Bloomingtonale/Schaumburg Bank & Trust as depository for the purpose of maintaining the District's operating checking accounts. In addition, the District uses PTMA Financial Solutions via Illinois School District Liquid Asset Fund (ISDLAF+), Fifth Third Securities, and BMO Harris to invest its reserves. Having these several depositories allows the District to competitively bid our investable funds, which will ensure we are obtaining the most competitive interest rates. For your convenience, I have attached a copy of the Resolution Establishing Depository of School Funds.

**Recommendation:**

That the Board of Education adopt a resolution to identify designated depositories for the fiscal year 2025-2026, effective May 19, 2025, presented as attached.

## Resolution Establishing Depository of School Funds

WHEREAS, Section 105 ILCS 5/8-7 of the Illinois School Code requires that a school depository be designated in which school funds and monies in the custody of the school treasurer shall be kept; and

WHEREAS, Bloomingdale/Schaumburg Bank and Trust, PTMA Financial Solutions via ISDLAF+, Fifth Third Securities, Inc., and BMO Harris have each complied with requirements established pursuant to Section 6 of the Public Funds Investment Act (30 ILCS 235/6)

NOW THEREFORE BE IT RESOLVED by the Board of Education of Bloomingdale Elementary School District 13, that

1. Bloomingdale/Schaumburg Bank and Trust be designated as a depository of funds for the purposes of maintaining checking accounts and a liquid balance in a money market sweep account; and
2. Illinois School District Liquid Asset Fund (ISDLAF+), Fifth Third Securities, Inc., and BMO Harris to be designated as depositories for the purposes of investing district funds in order to earn interest on those funds and maintaining a liquid cash flow; and
3. The Treasurer be authorized to bid for Certificates of Deposit, or other investment instruments as defined in the District's investment policy and approved by the Board of Education, in order to maximize earned interest for the district; and
4. The Treasurer be authorized to endorse for deposit or negotiation any and all checks, drafts, notes, bills of exchanges, and orders for the payment of money, either belonging to or coming into the possession of this school district; and
5. The Treasurer be authorized to sign any and all checks, drafts, and orders, including orders or directions in informal or letter form, against any funds at any time standing to the credit of this school district with the said bank(s), and/or against any account for this school district with said bank(s), and that the said bank(s) hereby are authorized to honor any and all checks, drafts and orders so signed; and;
6. The Treasurer be authorized to sign singly for the school district.

Adopted at the regular meeting of the Board of Education of Bloomingdale Elementary School District 13 on Monday, May 19, 2025 and recorded in the official minutes thereof.
