JA

To Board President Hans Hjort and members of the Craig City School Board; and CCSD superintendent Chris Reitan,

Please accept my resignation from the Craig City School Board, effective immediately.

With the resignation of the current high school principal, I feel an obligation to apply for the position. My years of experience in the district would be valuable to our incoming superintendent and ease her workload..

I have always wanted the best for Craig City School District. At this time, I feel my efforts would be more effectively focused on the staff and students of CCSD in the role of CHS principal, rather than as a board member.

Thank you,

Josh Andrews
