

# **Pupil Services/Special Education**

## **Board Report**

### **February 2024**

#### **Teaching and Learning**

- Mid-year review of special education data regarding progress in ELA and math
- Work around our Early Childhood program, support with resources, and professional development to support student needs
- Continued professional development around Co-teaching and Explicit Instruction

#### **Whole Child**

- Establishing [Raise Your Voice](#) group for students grades 6-12. Cassie Cerny, TMS School Counselor is facilitating the group.
  - A new youth movement launched by NAMI Wisconsin empowers teens to create a new conversation about mental health through education, leadership development and civic advocacy.
  - Mrs. Cerny attended an event in Wausau on Jan. 24th with some student leaders along with several other districts in the area that also have the group.
  - It is a partnership with Aspirus and NAMI (National Alliance on Mental Illness)
- February 21st at 6pm
  - Alcohol and other Drug Awareness for Families
  - Presentation for families on support, impact, and awareness related to alcohol and other drug use. Barbie Bunnell, MSW, LCSW, SAC
- January 18 and 25 events, 4K-5 and 6-12, parenting support strategies, resilience, and resources.
